

Customer Designated Support Requester

CellTrust requires that a Customer Designated Support Requester (CDSR) be the point of contact and liaison between the Customer user community and the CellTrust Support team. Each Customer may register up to three (3) CDSRs using this form.

CellTrust has made clear and the Customer acknowledges that:

- 1- Only a registered CDSR is authorized to open support cases with CellTrust;
- 2- On behalf of the Customer, the CDSR may authorize CellTrust to communicate with the end user to resolve the related support case; and
- 3- On behalf of the Customer, the CDSR may authorize CellTrust to access Customer's services to resolve the support case.

Upon request, CellTrust will create one login account per registered CDSR to access the my.celltrust.com portal.

For CDSR registration, complete the form below and email a copy of this document to legal@celltrust.com.
